

21<sup>st</sup> May 2024

Dear Parent / Carer

### Year 7 Residential Trip

We are excited to offer a two-night, three day adventurous residential to the Conway Centre in Anglesey. This is an amazing opportunity for students to get to know their fellow classmates in a fun and rewarding environment.

The centre offers true adventure, from abseiling down a rock face to navigating through the Menai Strait. Students will take part in activities whilst learning and developing their skills closely aligned to our core values of Pride, Resilience, Ambition and Social Action.

The trip will cost approximately £220 (may be subject to a slight change depending upon numbers). This can be paid in instalments. **To secure a place, a non-refundable deposit of £50 is required to be paid to the school office by the 7<sup>th</sup> June latest** along with the completed form in the link below. Further information relating to payment plans will be sent nearer the time to be paid on parent mail, once places are confirmed.

Please click on the QR code below or follow the link sent to you by email to confirm your child's place.

Yours faithfully

**Mr Steve Smith**  
Assistant Principal

"I do not believe there is a better week than that spent with the entire year group at Conway Centres, Anglesey. The children have so much fun gaining in confidence, independence and self-belief in a relaxed and safe environment."

# Anglesey

Conway Centres, Anglesey is perfect for schools and groups looking for an immersive residential experience. Situated adjacent to the Menai Strait within 169 acres of National Trust parkland, we are ideally placed for you to enjoy all that the wild outdoors has to offer.

Whether groups want to be part of a true outdoor adventure in the mountains or on the sea, or use the setting to inspire their creative and artistic imaginations, Anglesey is the perfect place for all residential and educational needs.

## Why schools love Anglesey...

- Whether you are looking for accommodation for 250 children or smaller private accommodation for a class of 30 – we have something for every school!
- With a private dock on the Menai Strait, vast woodlands, spacious art spaces and fully accessible facilities, we have activities & accommodation that will suit every child, no matter their level of experience, ability or needs.
- This centre offers true adventure, from abseiling down a rock face to navigating through the Menai Straits; children will not only take part in activities but will also learn & develop their skills in each session.

## The only residential centre to offer the **arts** in the GREAT OUTDOORS

The facilities at our residential centres are designed to support schools in enriching the usual provision. Specialist and experienced tutors guide learners through creative programmes, allowing teachers to uncover talent that may not be seen otherwise.

We have carefully considered the demands of the National Curriculum and created arts-based ready-made programmes to support students in broadening their knowledge and understanding of key topics.

But our Creative and Performing Arts programmes go beyond curriculum coverage. We enable students to engage multiple intelligences to achieve a higher level of understanding and engagement – all inspired by the sights, sounds, and stories of their surroundings in our centres.

## Real-life outdoor ADVENTURE

All our residential visits offer a unique learning experience in the stunning Cheshire countryside or on the coastline of Anglesey, giving students the opportunity to have independence and freedom in a safe, supportive, natural environment. A trip to the Conway Centres is the perfect way to help your children grow, mature, gain new perspectives and build skills by providing them with experiential learning.

Our adventure programmes combine real-life outdoor adventure mixed with immersive arts. We provide challenging activities in unique settings, stretching students' imaginations to promote learning on a deeper level. Continue your adventure into the evening with a selection of evening activities.
